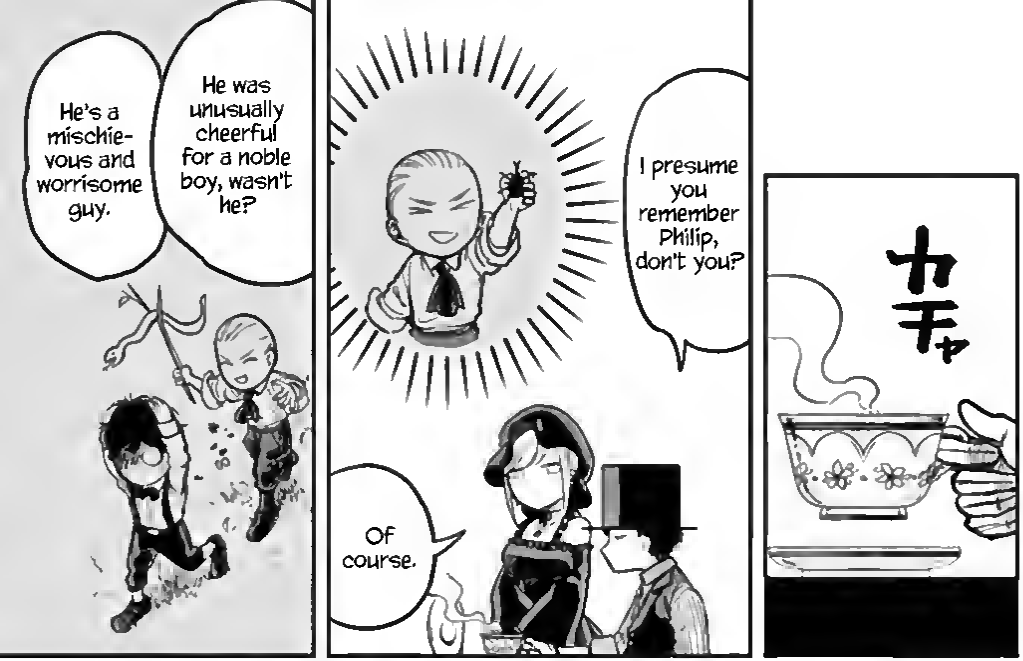
第2話 Tuxedo
死神坊ちゃんと黒メイド

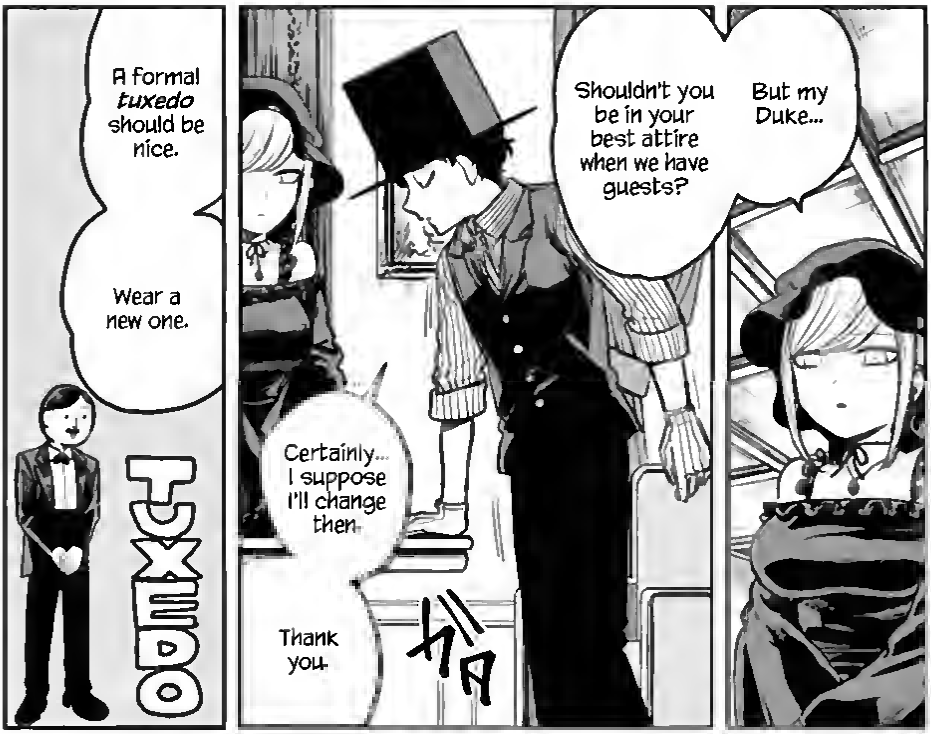
2
Alice... Go send a letter saying that it won't be happening today.
My stomach hurts now.
I don't want to meet anyone...
Please give up, my Duke.



He was unusually cheerful for a noble boy, wasn't he?
He's a mischievous and worrisome guy.
I presume you remember Philip, don't you?
Of course.
カチャ

Looks like you can't wait to meet people after all, hm?
It was sarcasm !!
ニコ…
Hahaha.
I'm looking forward to finding out what kind of a scoundrel he's grown up to be.

Don't peep into someone's room!!
Please try your best.
Lo... long time no see.
My Duke has been practicing greetings throughout the entire night...
I was watching.



But my Duke...
Shouldn't you be in your best attire when we have guests?
Certainly... I suppose I'll change then.
Thank you.
A formal *tuxedo* should be nice.
Wear a new one.
OMG!

As for your hat...
The hat's definitely not coming off!!

The natural perms on my black hair
and my dark circles are ugly, so...
I don't think so though.

mysterious eyes,
You have hair I want to twiddle my finger around,
and lips I'd want to kiss...

My heart feels like it's been torn to pieces

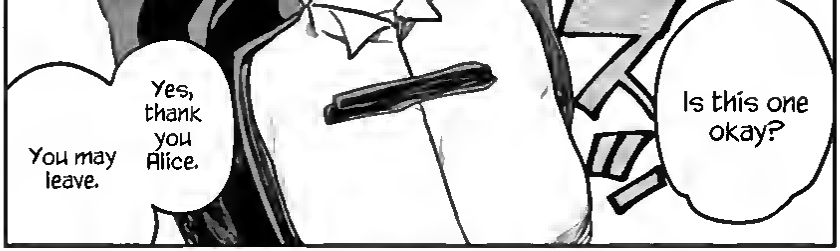
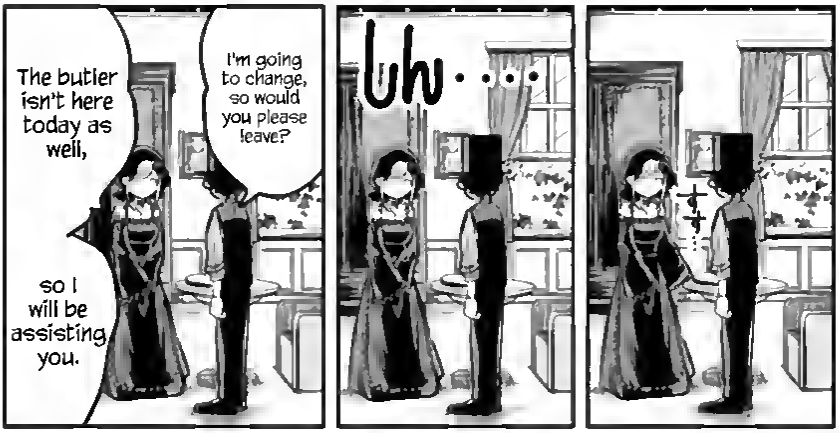
Well then, I will go prepare your tuxedo.

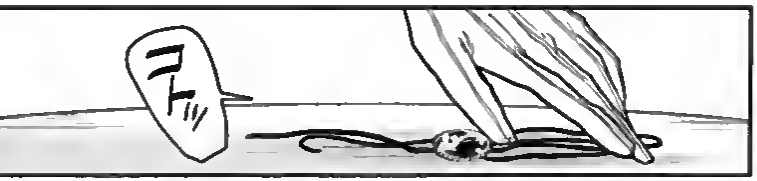


Is this one okay?
Yes, thank you Alice.
You may leave.

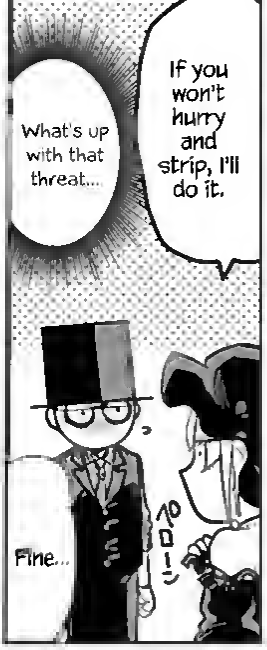


I'm going to change, so would you please leave?
The butler isn't here today as well,
so I will be assisting you.
Uh・・・

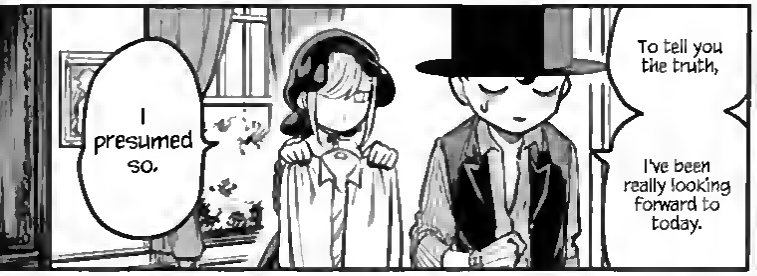
Well then, you won't feel embarassed if we both strip, yes?
No, I can change on my own!!
What kind of train of thought is that!!?
I can't strip in front of a girl!



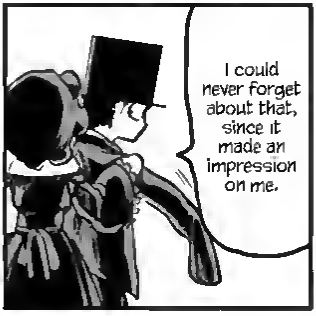
ヨト



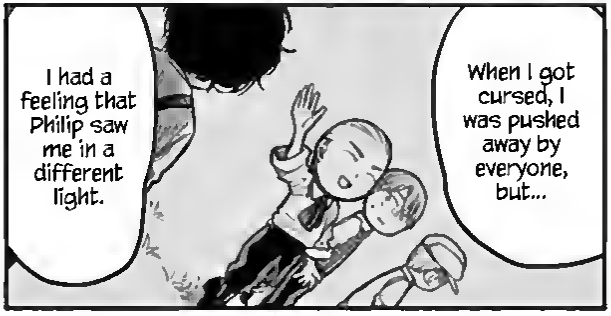
If you won't hurry and strip, I'll do it.
What's up with that threat...
Fine...
ポロン



To tell you the truth,
I've been really looking forward to today.
I presumed so.



I could never forget about that, since it made an impression on me.



I had a feeling that Philip saw me in a different light.
When I got cursed, I was pushed away by everyone, but...

Thus, I was happy from the bottom of my heart
for receiving letters from him recently.
So happy that I'd quiver.

Alice, please watch.
I'll make a friend today!!
Well... isn't that lovely?
Perhaps he'll be willing to compromise with me again.
It's finished, my Duke.
All that's left is the bow tie.
Please sit down on the chair.
Okay.
You're pretty skilled with putting clothes on people aren't you...?
I'm going to tie it now.
!!

Too
close
!!
If you'll just bear with me.
IT... IT'S SLIPP-ING...

Please don't shout near someone's ears.
You're so cruel even though you're aware.
Please stop being like this once we're in front of Philip and his people.
I don't want your skin exposed to other people so easily.

Please rest assured.
It's for my Duke's eyes only.
This won't work after all!!
U fu fu fu...
Especially because of my Duke's reactions.
IS.. IS THAT SO..
THAT'S A RELIEF..

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years
